Website Re-development Quotation

28-June-2024

Dear Mrs. Francis Iyobosa,

Many thanks for your kind gesture, regarding your request for quotation for re- development of 360dwaif.org.ng website. As per request, we have enclosed herein a website design and development quotation for your organization based on the specifications of your business and what we plan to deliver and the process.

We believe that the prices provided in our quotation are attractive and cost effective for your company needs. Let us know if you need more information about how we can create your website that will suit your organization needs. You may reach us at the above information provided.

We look forward for your confirmation,

Thank you and here's to assuring you of our quality service.

Respectfully yours,

Oyegbemile latifat

Below are the billing details for re-development
